## Summary

I am a seasoned full stack web developer with over 5 years of experience working with PHP and JavaScript. I specialize in WordPress and have built countless number of web pages while maintaining the products scope.

Skills:

- Wordpress
- PHP
- Javascript
- MySQL
- HTML/CSS

I am also experienced with

- React
- React Native
- Search Engine Optimization
- Web Graphics

I love the challenge of learning and applying new technologies and I'm always open to opportunities and gigs that's boost career growth.

Let's work together!
